RAW AMAZON LINKS

7

missing affiliate tag

WHAT THIS MEANS

What this means: The channel has a Link Health Score of 74 out of 100, indicating moderate overall health. Of the 35 affiliate links, 3 have limited regional availability, 7 are raw (untagged) Amazon links, 25 are properly tagged, and all 7 Amazon video links point to a single Amazon region without multi-market redirects, while only 0.3% of total channel views land on a flagged video.

HOW AFFILIO HELPS

1 GLOBAL LINKS

7 videos linked to one Amazon region

None of the 7 Amazon videos route international viewers to their local marketplace. Afflio's region-aware routing sends each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.

2 AUTO-TAG

7 raw Amazon links

A bare amazon.com link with no affiliate tag earns you nothing, even when it converts. Afflio auto-wraps links like these with your affiliate tag before the click leaves the page, so nothing slips through untagged.
