37 broken links are quietly leaking revenue on this channel — **28.1%** of this channel's total views sit on videos carrying a flagged link.

WHAT THIS MEANS

Break It Yourself's score of 40/100 is driven by 37 unique broken links that recur 238 times across videos, along with 6 unavailable and 31 regionally limited links, out of 100 total affiliate links. Of the 31 tagged Amazon links, 32 Amazon videos link to a single region without a multi-market redirect. These flagged videos account for 28.1% of the channel's total views, a meaningful share.

HOW AFFILIO HELPS

1 DEAD LINKS

43 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

32 videos linked to one Amazon region

None of the 32 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
