BROKEN LINKS

1

dead, no longer exists

UNAVAILABLE LINKS

1

item out of stock

WHAT THIS MEANS

The Link Health Score of 80 indicates a relatively strong performance in ensuring your affiliate links are functioning properly. Out of 107 affiliate links analyzed, there are issues with a total of 3 links - 1 is broken, 1 is unavailable, and 119 links have limited regional availability.

HOW AFFILIO HELPS

1 DEAD LINKS

2 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

31 videos linked to one Amazon region

None of the 31 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.

Flagged videos		ALL 2, MOST SEVERE FIRST
VIDEO	FLAGGED LINK	ISSUE
DIY Bluetooth Speaker	http://amzn.to/29yqlxa	Link no longer exists (404)
Floating Shelf w/ Hidden LED Lighting	http://amzn.to/2xGhlis	Product marked unavailable

Swap these in one click

Affilio tracks every link you've shared, flags the ones that stop working, and gives you a replacement link to drop in — no video edits required.
