WHAT THIS MEANS

Your channel’s Link Health Score is 77 / 100, based on 11 affiliate links; six of those links have limited regional availability, one is an untagged Amazon link, and four are properly tagged Amazon affiliate links. Eight Amazon videos are linked to a single Amazon marketplace without multi-market redirects, and only 0.1

HOW AFFILIO HELPS

1

GLOBAL LINKS

8 videos linked to one Amazon region

None of the 8 Amazon videos route international viewers to their local marketplace. Affilio's region-aware routing sends each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.

2

AUTO-TAG

1 raw Amazon link

A bare amazon.com link with no affiliate tag earns you nothing, even when it converts. Affilio auto-wraps links like these with your affiliate tag before the click leaves the page, so nothing slips through untagged.

Affilio autofixes broken links, auto-tags raw links, and geo-routes multi-market videos — no video edits required.
