WHAT THIS MEANS

A Link Health Score of 78/100 suggests generally good link health, though there are notable constraints. Out of 97 affiliate links, 72 have limited regional availability, 52 are tagged Amazon links, and 27 Amazon videos link to only a single Amazon region. Currently, 44.6% of the channel's total views land on a flagged video, indicating a modest share of traffic is affected.

HOW AFFILIO HELPS

1

GLOBAL LINKS

27 videos linked to one Amazon region

None of the 27 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
