WHAT THIS MEANS

The channel's Link Health Score of 60 / 100 reflects a generally acceptable level of link performance, while 11 unique links (appearing 22 times) are broken and 3 unique links (appearing 33 times) lead to unavailable product pages. Two links have limited regional availability

HOW AFFILIO HELPS

1 DEAD LINKS

14 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

46 videos linked to one Amazon region

None of the 46 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
