WHAT THIS MEANS

The channel's Link Health Score of 81/100 reflects a moderate level of

HOW AFFLIO HELPS

1DEAD LINKS

2 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Afflio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2GLOBAL LINKS

50 videos linked to one Amazon region

None of the 50 Amazon videos route international viewers to their local marketplace. Afflio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.

3GLOBAL STORE

Amazon store isn't geo-redirected

Your Amazon storefront link doesn't support OneLink, so every international visitor is sent to the US store — and you lose the commission on their purchase. On the Professional plan you set the regional targets once, and Afflio then routes each viewer to their local Amazon marketplace from then on.
