top videos by views

WHAT THIS MEANS

A Link Health Score of 83 out of 100 indicates generally solid performance with room for improvement. Of the 71 affiliate links detected, 8 are limited to certain regions, 14 Amazon videos link to only one Amazon marketplace, and 2.9 percent of the channel’s total views land on a flagged video. These numbers point to modest, but not major, opportunities to refine regional targeting and multi-market redirects.

HOW AFFILIO HELPS

1

GLOBAL LINKS

14 videos linked to one Amazon region

None of the 14 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
