WHAT THIS MEANS

This channel's link health score of 40/100 reflects a small inventory with a notable proportion of issues: 2 of the 4 total affiliate links are broken, appearing 3 times across videos, against 2 tagged Amazon links and 2 Amazon videos linked to a single region without multi-market redirect. Only 5.0% of the channel's total views land on a flagged video, so despite the high issue ratio, the overall exposure remains modest.

HOW AFFILIO HELPS

1

DEAD LINKS

2 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2

GLOBAL LINKS

2 videos linked to one Amazon region

None of the 2 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
