dead, no longer exists · appears 16x across videos

UNAVAILABLE LINKS

20

item out of stock · appears 22x across videos

WHAT THIS MEANS

Based on the review, your affiliate link health score is 61 out of 100, indicating moderate performance. Of the 82 total affiliate links found, 9 are broken, and 20 are unavailable due to factors such as stock levels or regional variations. Your videos also lack geographical redirects for Amazon links in 9 cases, and 9.2% of this channel's total views land on flagged videos.

HOW AFFILIO HELPS

1 DEAD LINKS

29 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

9 videos linked to one Amazon region

None of the 9 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
