WHAT THIS MEANS

The channel's Link Health Score of 84 out of 100 indicates a generally solid affiliate link setup. However, 18 of the 91 affiliate links have limited regional availability, and 43 of the 84 Amazon links point to a single Amazon marketplace rather than using multi-market redirects. Currently, 12.3 % of the channel's total views land on videos that contain flagged links, which may affect overall reach.

GLOBAL LINKS

43 videos linked to one Amazon region

None of the 43 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
