WHAT THIS MEANS

What this means: The channel's Link Health Score of 40/100 reflects a low overall health, with all three affiliate links identified being broken and appearing a total of 48 times. Additionally, 21 videos are linked only to a single Amazon region, and 99.5% of the channel

HOW AFFILIO HELPS

1 DEAD LINKS

3 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

21 videos linked to one Amazon region

None of the 21 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
