BROKEN LINKS

1

dead, no longer exists · appears 8× across videos

UNAVAILABLE LINKS

8

item out of stock · appears 22× across videos

WHAT THIS MEANS

With a Link Health Score of 78/100, your Swaroop Talks channel is at risk of losing revenue from 9 videos tagged to a single Amazon region and potentially other unoptimized links. Furthermore, 8 unique affiliate links are unavailable, and 1 unique link is broken, appearing 8 other times across your videos, wasting 39 (1 + 8 * 8) potential views. Fixing these link issues will directly translate to recovered commission without requiring new content.

HOW AFFLIO HELPS

1 DEAD LINKS

9 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Afflio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

9 videos linked to one Amazon region

None of the 9 Amazon videos route international viewers to their local marketplace. Afflio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
