WHAT THIS MEANS

This channel's Link Health Score of 73/100 reflects meaningful issues across a large volume of 549 affiliate links: 430 links show limited regional availability, 76 unique links are unavailable (appearing 192 times across videos), and 41 unique links are broken (appearing 121 times). These flagged videos account for 34.4% of total channel views, so cleaning up the broken and unavailable links could plausibly help recover some of the associated commission, though the actual effect on earnings isn't guaranteed.

LINK CATEGORY BREAKDOWN

HOW AFFILIO HELPS

DEAD LINKS

117 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

GLOBAL LINKS

30 videos linked to one Amazon region

None of the 30 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
