WHAT THIS MEANS

With a Link Health Score of 77/100, this channel's 27 affiliate links show moderate issues: 10 with limited regional availability and 5 unavailable, against 11 properly tagged Amazon links. These flagged videos account for a modest 2.8% of total channel views.

HOW AFFILIO HELPS

1

DEAD LINKS

5 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2

GLOBAL LINKS

11 videos linked to one Amazon region

None of the 11 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
