WHAT THIS MEANS

The current Link Health Score for your YouTube channel indicates a neutral assessment of your affiliate links, with a score of 74 out of 100. While only 1 link is considered broken and 1 link is currently unavailable, a notable issue is the presence of 34 links with limited regional availability.

HOW AFFILIO HELPS

1 DEAD LINKS

2 broken or unavailable links detected

Each of these links loses you commission every time it's clicked instead of converting. Affilio re-checks your link inventory for new breakages (every 30 days on Free, 14 on Boost, 7 on Professional) and puts the moment one goes bad at the top of this list — so you swap in a working link while the video is still earning, instead of hunting for it months later.

2 GLOBAL LINKS

18 videos linked to one Amazon region

None of the 18 Amazon videos route international viewers to their local marketplace. Affilio's Professional plan routes each viewer to their own local Amazon marketplace automatically — set it up once per link, and every future click routes correctly on its own.
